The British Columbia Society for the Prevention of Cruelty to Animals is the largest animal welfare society in the province. It receives millions of dollars of private and public money every year.

## **DID YOU KNOW THAT:**

The B.C. S.P.C.A. is not covered by the Society Act?

The B.C. S.P.C.A. has never produced an audited financial statement as required by the provincial government?

The B.C. S.P.C.A. has incurred an operating deficit approaching \$10 million in the last three years?

Administrative staff at the B.C. S.P.C.A. head office more than tripled from 2001 to 2003?

There are still animals leaving B.C. S.P.C.A. shelters that have not been spayed or neutered?

The B.C. S.P.C.A. closed down the low cost spay/neuter clinic in Victoria and dramatically reduced services at the Vancouver clinic?

When you make a donation to your local branch it goes to the head office which then decides how and where it will be spent?

The B.C. S.P.C.A. is NOT a no-kill agency?

The B.C. S.P.C.A. has provided a valuable service to the public and shelter for thousands of homeless animals for over 100 years. The current direction of the B.C. S.P.C.A. may result in the demise of this organization. If you share our concerns, please let Premier Campbell know by mailing the attached form to him:
